## Fall with Pathways

It's officially FALL!! What a fun and delightful time with cooler weather (but not too cold, yet) and some nice fall fresh air!! The air is crisp and the season is exciting!

Contrary to popular belief, it's not a season of dying (despite the leaves on the trees falling), it's about newness and change! With fall, we introduce a new school year, a new year of possibilities, and a time of maybe a little discomfort that turns into GROWTH! There's a feeling of breaking away from the old and embracing and discovering the NEW!

Speaking of new, Bahiyyih has NEW hours this fall. She is available to connect with YOU Wednesdays and Thursdays between 3-8pm. If you find yourself struggling in this new season of uncertainty and growth, then Bahiyyih is definitely someone you want to connect with!

**Contact your Coach to connect  
with Bahiyyih**

## Technology Support

Do you need access to a computer, a printer, or technology support? Talk your Coach and they can schedule you a time to access Pathways Technology Support on site at Compass!

## Introducing Pathways Newest Committee

Follow us on instagram @pathways\_hamilton to keep up to date with new content and upcoming events like our  
ARC Community Check-In - October 22nd 2020

## 1-on-1 Tutoring Support

Monday through Thursday  
3:00pm to 7:00pm

Talk to your Coach to book a session and guarantee the tutoring help you need!
