## Dare to Dream Trip to Sheridan College

*Lights, camera, action!* On Friday February 2nd, we took 31 Grade 9 students to visit the Sheridan College (Oakville) campus for our third Dare to Dream Trip! Dare to Dream aims to inspire our students to dream big about their future possibilities.

This campus is known for its Arts and Design focus. Students experienced a visual light show from the audiovisual/theatre department. Students toured the fashion and theatre props departments where each student made their own food prop with clay. Students also learned how to make their own app!

In the afternoon, students enjoyed a fun, interactive time at Activate in Burlington. Students had a blast throughout the trip, learning about and experiencing Sheridan's programs!

**Thank you so much to the Hamilton Community Foundation  
who made this trip possible through the ABACUS fund!**

## INTERNATIONAL WOMEN'S DAY

### MARCH 8TH

International Women's Day is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating women's equality.

IWD has occurred for well over a century, with the first IWD gathering in 1911 supported by over a million people. Today, IWD belongs to all groups collectively everywhere. IWD is not country, group or organization specific.
