Cookies for our Community!

Early in April, our Pathways students and staff were hard at work baking delicious Cadbury Egg cookies in support of the Compass Community Health "Jeans Fund". The Jeans Fund at Compass helps to support our community members in times of need.

Our students occupied the community kitchen within Compass and filled it with smells of sugar, chocolate, and good intentions! They also learned about the great cause they were helping to support. Staff at Compass were able to purchase the cookies in support of the Jeans Fund. Thanks to all who baked and bought!
