Introducing the new... **Community Fridge!**

What is it?

A community fridge allows food to be shared within a community! It increases access to fresh fruit & vegetables, and benefits everyone!

Why is it there?

We have seen a growing need within our community for fresh fruits & vegetables.

Who's it for?

Everyone is invited to access the fridge: Compass clients, Pathways students and families, and beyond!

Where is it?

The fridge is located on the Southwest side of Compass Community Health.

How to Donate:

1. You can donate fresh fruit & vegetables and milk alternatives (oat milk, almond milk, etc.) into the fridge when it is open.

2. You can drop off pre-paid grocery gift cards to Leah. These will be used to purchase fresh fruits & vegetables.

3. You can donate financially via cash, cheque or e-transfer. For this option please contact ljanzen@compassch.org

Hours of Operation:

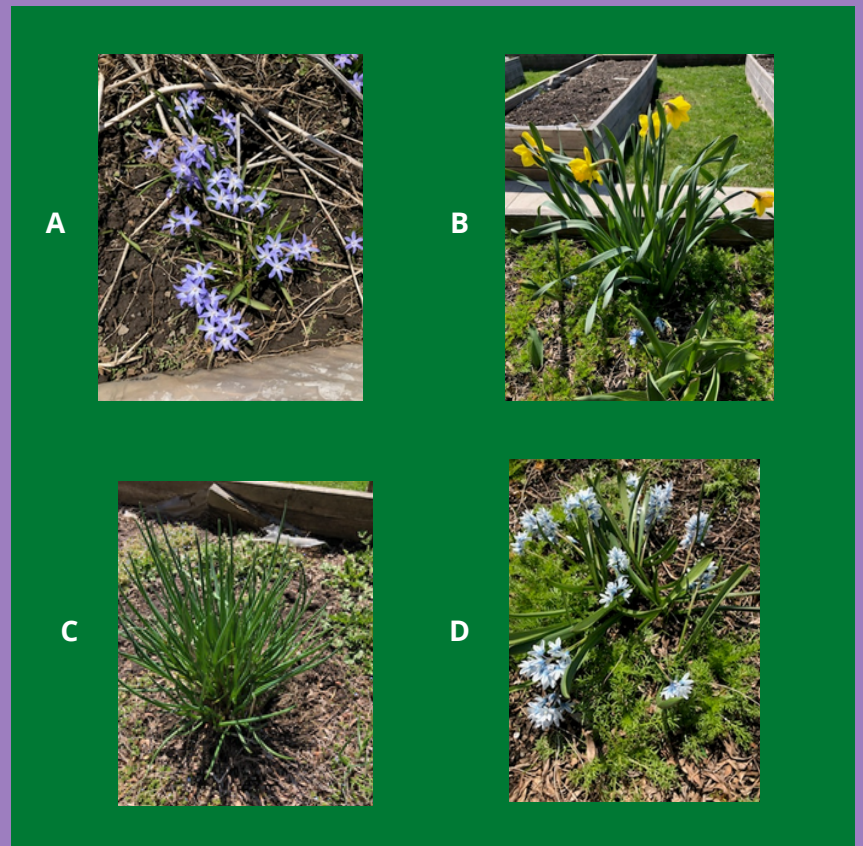

Monday – Friday
8am – 4:30pm
(closed on all stat holidays)

Check out the beautiful art work on the outside!

Artist: Kyle Joedick - Cayuga Woodland Hamilton Artist
