We are looking for someone who thrives in an evolving, innovative setting; has a passion for supporting marginalized youth toward optimal health and prosperity by ending the cycle of poverty through education; is a relationship-builder who is committed to advocacy and to implementing traditional and non-traditional programs to help youth achieve their goals.

The **Pathways Coach** will be part of the Pathways to Education™ team that supports youth to a successful high school career with a view toward rewarding employment opportunities for life-long income security.

Qualifications:

- Bachelors Degree in health, education, social science or related discipline or a combination of some post-secondary education & significant experience in youth development.
- A natural coach, you are equally comfortable in individual mentoring and in group facilitation settings
- Confidence in your understanding of issues faced by high school age youth
- You possess strong planning and organizational skills
- You are comfortable working with online database and reporting tools
- Comfort in working with people from diverse backgrounds & committed to equity practices
- Commitment to contributing to the Pathways to Education™ program based on your unique strengths and interests
- Bilingual in English & Arabic an asset

The successful candidate will be required to offer culturally competent services to refugee and vulnerable newcomer youth clients within the Pathways Program.

We invite you to review the **Pathways Coach job description** on our website under **Careers** at <http://www.compassch.org/> for additional job related information.

In return for your results-orientation and dedication, we offer a competitive salary based on experience and qualifications; and option to enroll in the HOOPP pension plan.
