

Compass Community Health offers primary care health services and health promotion programs to diverse communities and individuals.

We are currently seeking a:

Social Prescribing System Navigator
10-Month Contract – Full Time (37.50 hours per week)
Hourly Salary Range: \$20.54 - \$24.17

What we're looking for:

- A self-motivated professional with a get-things-done attitude!
- Someone who thrives in an evolving, innovative setting;
- Has a passion for developing and delivering a culturally safe and culturally specific social prescribing model that connects, links, and supports newcomer individuals and their families with navigation of the health, social, and community support systems in a determinant of health philosophy;
- Strong communication skills and works well with an interdisciplinary care team;
- Experience working with culturally, economically and socially diverse populations.

What you can expect to do:

- Develop, deliver or recommend culturally relevant and client-centered health promotion programs and services that eliminate barriers to health and well-being and meet the unique and diverse needs of newcomer and racialized clients, using language that newcomers understand;
- Identify and engage social economic barriers and upstream health promotion and prevention services to address health inequities and improve the client's experience through an integrated system of care;
- Ensure all recruitment, program promotion and evaluation is carried out effectively.

We invite you to review the **Social Prescribing System Navigator** job description on our website under Careers at <https://www.compassch.org/about-us/employment-opportunities-careers> for additional job-related information.

In return for your results-orientation and dedication, we offer a competitive salary based on experience and qualifications; and option to enroll in the HOOPP pension plan.
